## Manufacturer's Representative For:

*AAON*

Packaged Rooftop Units up to 230+ tons, Evap. Condensing, Pool Dehumidification Units, Make-up Air Units, Air to Air Heat Pumps, Water Source Heat Pumps, Split Systems, Water Cooled Units, Air Handling Units Modular up to 56,000 CFM, Air Cooled Condensing Units from 2-230 tons, Air Cooled and Evap. Cooled Chillers, Packaged Equipment and Boiler Rooms, Vertical Self Contain Units, Blower Coil and Fan Coil Units

*Air Enterprises*

Custom Engineered Air Handling Units – All Aluminum construction. Thermal break panel construction. Each unit is custom engineered to meet the customer's onsite requirements.

*Air Wise Inc*

Air Handling Units, Custom Built Up Air Handling Systems, Direct Fired Make Up Air Units, Indirect Fired Make Up Air Units, Air Rotation Units

*AERISA*

Air Purification Technology, Wastewater, Industrial, Commercial, Ionization Science, Indoor Air Quality Applications

*Airedale-Modine*

Packaged Vertical Unit Ventilators (air cooled, heat pump, chilled and hot water), Makeup Air Units (Gas Indirect & Direct Fired), Hydronic Heating products, Ductless Split Systems, Gas-fired Infrared Heaters

*Carson Solutions*

Floor Mounted Chilled Beam Induction Cabinets Utilizing Displacement Ventilation. Custom Sheet Metal Auxiliaries for Carson Solutions and OEM Terminal Devices

*Climacool*

Modular Chiller Systems, True Redundancy Energy Cost Savings, Space Saving

*Climate Master*

Water Source Heat Pumps (horizontal, vertical, hi-rise, water to water, console), geothermal, 100% make-up air heat pumps, Rooftop WSHP Units with energy recovery options, Air Cooled Rooftop Units up to 25 Tons

*Compu-Aire*

Computer Room Units (Ceiling, Floor And Wall Mount Units) Air And Water Cc Micro-Controller Options, Heat Pumps.

*DriSTEEM*

Humidification Systems, Steam Generators (gas, electric, hot water, steam) Dispersion Panels, Room Humidifiers, Insulated Tube Options, Water Treatment Systems.

*Dunham-Bush*

Water & Air-Cooled Chillers (Scroll, Screw, Centrifugal & Turbocor Compressor Technology), Condensing Units, Package Rooftop Units and AHU's, Industrial Chiller Solutions

*Evapco*

Fluid Coolers & Cooling Towers, Dry Coolers, Pulse Pure Non-Chemical Water Treatment, Pre-engineered Chemical Water Treatment Systems, Low Sound Solutions

*Friedrich*

Variable Refrigerant Packaged Units, PTAC and VTAC Units, Ductless Mini-Splits, Hazardous Location Wall Units

*IEC*

Fan Coil & Blower Coil Units, Vertical Hi-Rise units, "Sureflow" Pump Package Fan Coil Units

*JETSON*

Heat Recovery & Custom Chiller Products. Modular Air Cooled Chillers, Modular Water Cooled Chillers, Scroll Water Cooled Chillers, Packaged Air Cooled Chillers, Air Cooled Condensing Units, Water Cooled Condensing Units

*Kampmann*

In Floor Heating Systems, Trench Heating, Perimeter Heating, Design Grilles, Fan Coil Units,

*Kinetics Noise Control*

Sound Attenuators, Custom Sound Curbs, Spring Isolation Curbs Sound Blankets, Custom Engineered Sound Enclosures, Certified Sound Calculations, Pipe Hangers And Spring Isolators

*LG*

Heat Recovery Variable Refrigerant Flow Systems (VRF), Ductless Split Systems, Multi-Ductless Split System, PTACS, Through-The-Wall A/C Units, Dedicated Outside Air Units

*MagicAire*

Fan Coils, Cased Coils, Air Handlers, Unit Ventilators, Blower Coil Units

*Puroflux*

Water Filtration and Control Systems, Permanent Media Filters, Solid Separators, Disc Filters, Cooling Tower Sump Sweeper Systems, Pump Packages, Control Panels

*TPI / Raywall*

Electric Unit Heaters, Cabinet Unit Heaters, Wall Heaters, Baseboard Heat, Duct Heaters

*Sondex*

Plate and Frame Heat Exchangers / Brazed Plate Heat Exchangers

*Ventwell*

Industrial Air Handling Units for Indoor Environment Dehumidification and All Natatorium Applications. Modular Design, Condensate Prevention, Superior Energy Recovery.

*Vulcan*

Hot Water and Steam Unit Heaters, Cabinet Unit Heaters, Convectors, Finned Tube Radiation

*Xetex*

High Quality Custom Energy Recovery Ventilators, Packaged Energy Recovery Solutions, Laboratory Applications, Medical, Schools, 90%+ Condensing Gas Heat, Packaged Pool Dehumidification Units
