Manufacturer's Representative for:

AAON

Packaged Rooftop Units up to 230+ tons, Evap. Condensing, Pool Dehumidification Units, Make-up Air Units, Air to Air Heat Pumps, Water Source Heat Pumps, Split Systems, Water Cooled Units, Air Handling Units Modular up to 56,000 CFM, Air Cooled Condensing Units from 2-230 tons, Air Cooled and Evap. Cooled Chillers, Packaged Equipment and Boiler Rooms, Vertical Self Contain Units, Blower Coil and Fan Coil Units

Air Enterprises

Custom Engineered Air Handling Units – All Aluminum construction. Thermal break panel construction. Each unit is custom engineered to meet the customer's onsite requirements.

Air Wise Inc

Air Handling Units, Custom Built Up Air Handling Systems, Direct Fired Make Up Air Units, Indirect Fired Make Up Air Units, Air Rotation Units

Airedale-Modine

Packaged Vertical Unit Ventilators (air cooled, heat pump, chilled and hot water), Hydronic Heating products, Ductless Split Systems, Gas-fired Infrared Heaters

Carson Solutions

Floor Mounted Chilled Beam Induction Cabinets Utilizing Displacement Ventilation. Custom Sheet Metal Auxiliaries for Carson Solutions and OEM Terminal Devices

Climacool

Modular Chiller Systems, True Redundancy Energy Cost Savings, Space Saving

Climate Master

Water Source Heat Pumps (horizontal, vertical, hi-rise, water to water, console), geothermal, 100% make-up air heat pumps, Rooftop WSHP Units with energy recovery options, Air Cooled Rooftop Units up to 25 Tons

Compu-Aire

Computer Room Units (Ceiling, Floor And Wall Mount Units) Air And Water Cooled, Micro-Controller Options, Heat Pumps.

DriSTEEM

Humidification Systems, Steam Generators (gas, electric, hot water, steam) Dispersion Panels, Room Humidifiers, Insulated Tube Options, Water Treatment Systems.

Dunham-Bush

Water & Air-Cooled Chillers (Scroll, Screw, Centrifugal & Turbocor Compressor Technology), Condensing Units, Package Rooftop Units and AHU's, Industrial Chiller Solutions

	<i>Evapco</i>	Fluid Coolers & Cooling Towers, Dry Coolers, Pulse Pure Non-Chemical Water Treatment, Pre-engineered Chemical Water Treatment Systems, Low Sound Solutions
	<i>Friedrich</i>	Variable Refrigerant Packaged Units, PTAC and VTAC Units, Ductless Mini-Splits, Hazardous Location Wall Units
	<i>IEC</i>	Fan Coil & Blower Coil Units, Vertical Hi-Rise units, “Sureflow” Pump Package Fan Coil Units
	<i>Kampmann</i>	In Floor Heating Systems, Trench Heating, Perimeter Heating, Design Grilles, Fan Coil Units
	<i>KINETICS</i>	Sound Attenuators, Custom Sound Curbs, Spring Isolation Curbs, Sound Blankets, Custom Engineered Sound Enclosures, Certified Sound Calculations, Pipe Hangers and Spring Isolators
	<i>LG</i>	Heat Recovery Variable Refrigerant Flow Systems (VRF), Ductless Split Systems, Multi-Ductless Split System, PTACS, Through-The-Wall A/C Units, Dedicated Outside Air Units
	<i>MagicAire</i>	Fan Coils, Cased Coils, Air Handlers, Unit Ventilators, Blower Coil Units
	<i>Paragon</i>	Airflow Measuring Stations
Phenomenal Aire	<i>Phenomenal Aire</i>	Needlepoint Bipolar Ionization
	<i>PEP Filters</i>	Water Filtration and Control Systems, Permanent Media Filters, Solid Separators, Disc Filters, Cooling Tower Sump Sweeper Systems
	<i>TPI / Raywall</i>	Electric Unit Heaters, Cabinet Unit Heaters, Wall Heaters, Baseboard Heat, Duct Heaters
	<i>Sondex</i>	Plate and Frame Heat Exchangers / Brazed Plate Heat Exchangers
	<i>Vulcan</i>	Hot Water and Steam Unit Heaters, Cabinet Unit Heaters, Convectors, Finned Tube Radiation
	<i>Xetex</i>	High Quality Custom Energy Recovery Ventilators, Packaged Energy Recovery Solutions, Laboratory Applications, Medical, Schools, 90%+ Condensing Gas Heat, Packaged Pool Dehumidification Units
